

Electronics Retail & Repair Support

Explore appliances and electronics, compare replacements or ask for help with a product issue. Our Canada Corner team can guide your purchase and check the appropriate service route for your brand and model.

Explore the Range. Ask About Your Product.

Televisions & Home Audio

Share the brand, model and issue, or the screen and room requirements for a new purchase.

Refrigerators & Freezers

Provide model details, usage and the symptom so the relevant support route can be checked.

Washing Machines & Dryers

Tell us the capacity you need or share the existing machine's model and problem.

Kitchen Appliances

Discuss product fit, intended use, installation needs or model-specific support.

Water Purifiers & Heaters

Share the appliance type, exact model if known and the help you require.

Vacuums & Home-Care Appliances

Compare usage and product options, or ask about support for your existing unit.

Laptops & IT Electronics

Describe your intended use or service issue. Repair capability and data-handling arrangements require confirmation.

Inverters & Power Backup

Share connected equipment, existing model and the issue or requirement for a suitability review.

Discuss current availability, exact-model specifications and suitability with our team. Products, supply, installation and service inclusions are confirmed in the quotation.

Guidance, service & next steps

Start with the product, the problem and your location. Our team will confirm whether assistance is available, who will handle the work and any applicable charges.

Purchase Consultation

Compare features, fit and intended use before choosing a product.

Fault Enquiry & Triage

Describe the symptoms so the next assessment or service route can be identified.

Brand-Service Coordination

Ask for help identifying the applicable brand channel and information it requires.

Installation Support

Confirm the installer, included work, accessories and appointment arrangements for eligible products.

Parts & Accessory Enquiries

Check exact-model compatibility and availability before ordering a replacement part or accessory.

Repair-versus-Replacement Guidance

Compare an available repair estimate with suitable replacement options before deciding.

Support for your purchase

Maintenance Enquiries - Ask whether a maintenance plan is available for your appliance and location. Provider, visit frequency, labour, parts and exclusions are confirmed before booking.

Warranty & Repair Terms - Product warranty follows the relevant brand's terms. Any repair-work or replacement-part warranty must be stated by the service provider in the estimate or job record.

Before you enquire

- Purchase requirement or fault symptoms, product type, brand and model if known.
- Your locality and available invoice, warranty record or model-label photograph.

Please confirm price, availability, delivery, installation scope and applicable warranty or service terms before proceeding.
