Commercial Refrigeration

Choose commercial cooling around what you store, how you serve and the space you have. Uttam Electronics can help you discuss display and storage options for shops, cafés, restaurants and other businesses in Nashik.

Explore Commercial Cooling Formats

Visicoolers

Discuss bottle and can storage, shelf layout, door access and the available floor space.

Deep Freezers

Compare chest formats, access and usable storage against the products you need to keep frozen.

Glass-Top Display Freezers

Review product visibility, basket organisation and serving access alongside the required storage conditions.

Upright Commercial Refrigerators

Discuss shelves, door openings and internal dimensions for your containers and daily loading pattern.

Under-Counter Refrigeration

Check the available opening, work height, ventilation clearances and the exact model's installation requirements.

Countertop Display Coolers

Share the display goods and available counter dimensions so suitable equipment can be discussed.

Water Coolers

Discuss the number of users, water supply and installation space. Water-cooling and purification requirements are considered separately.

Discuss current availability, exact-model specifications and suitability with our team. Products, supply, installation and service inclusions are confirmed in the quotation.

Guidance, service & next steps

Confirm which services apply to your selected equipment. Site requirements and any additional work are included only when stated in the quotation.

Requirement Review

Discuss the goods, use pattern and required storage or display format.

Model Comparison

Review the selected model's dimensions, features and manufacturer specifications.

Space & Access Check

Consider doorways, positioning, ventilation and service access.

Delivery Coordination

Confirm address serviceability, handling and the delivery estimate for your order.

Setup Coordination

Discuss the manufacturer's installation requirements and any site work needed.

After-Sales Guidance

Contact us for the appropriate service route and applicable warranty information.

Support for your purchase

Maintenance for Commercial Use - Ask about maintenance support for the selected equipment. Any AMC or service arrangement depends on the model, location and provider; visits, parts and exclusions are confirmed separately.

Check the Exact Model's Coverage - Commercial-use eligibility, component coverage and warranty conditions differ by model and manufacturer. Confirm the written terms, service route and exclusions before purchase.

Before you enquire

- What you store/display, required temperature and daily operating hours.
- Capacity, ambient conditions, equipment dimensions and delivery access.

Please confirm price, availability, delivery, installation scope and applicable warranty or service terms before proceeding.
