Water Solutions

Choose around your water source, daily use and available space. Compare purification, storage and dispensing options with our team at Canada Corner, Nashik.

Explore Water Purification & Dispensing Options

RO Water Purifiers

Compare exact-model inlet-water requirements, storage, reject-water arrangements and filter costs.

UV / UF Water Purifiers

Ask us to check the exact model's specified inlet-water conditions and maintenance requirements.

Under-Sink Options

Share cabinet dimensions and photos of water, drain and power points. Model availability and fitting suitability require confirmation.

Water Softeners

Share a water report, intended application and flow requirement so the appropriate equipment and maintenance scope can be assessed.

Water Dispensers

Compare loading style, available temperature options and placement. Purification features depend on the exact model.

Water Coolers

Plan peak usage, storage, supply connection and placement. Confirm any separate filtration requirement in the equipment scope.

Discuss current availability, exact-model specifications and suitability with our team. Products, supply, installation and service inclusions are confirmed in the quotation.

Guidance, service & next steps

Ask about support for your exact brand and model. Visit availability, provider, material requirements and charges are confirmed before booking.

Model Selection

Compare equipment against your stated supply conditions and daily use.

Installation Coordination

Confirm the fitter, connections, required accessories and applicable charges.

Filter Replacement Enquiries

Check the exact compatible filter or consumable and its availability.

Service & Fault Enquiries

Share the model and symptoms so the appropriate service route can be checked.

Relocation & Reinstallation

Discuss an existing unit's new location and required fitting assessment.

Care & Maintenance Planning

Review model-specific care instructions, service intervals and consumable costs.

Support for your purchase

Maintenance Options - Ask whether a service plan is available for your equipment. Visit frequency, labour, consumables and exclusions must be confirmed in writing.

Warranty & Brand Support - Warranty depends on the exact model and provider's terms. Ask about installation conditions, consumables, exclusions and any eligible extended-cover option.

Before you enquire

- Water source, intended use, number of users and daily demand.
- Available space, water/electrical connections and any recent water test report.

Please confirm price, availability, delivery, installation scope and applicable warranty or service terms before proceeding.
